

English

Reading:

- continue to develop accuracy and fluency when reading aloud
- talk about the books we have explored

Key texts:

Hidden World: Ocean by Libby Walden
Stuck by Oliver Jeffers

Writing:

- think about our letter formation
- use punctuation in our sentences
- use conjunctions to join sentences together

Geography - What is the Geography of where I live like?

- use basic geographical vocabulary to refer to key physical and human features
- use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features
- use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment

Maths

Our mathematical learning will focus on:

- explore numbers, thinking about place value, ordering and comparing them
- recall of pairs of numbers that make 10 and 20
- learn how to read and write numbers to 100

Year 2

Autumn Term 1

Science - Uses of Everyday Materials

- identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses
- find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching

The Arts

D&T

- build structures, exploring how they can be made stronger, stiffer and more stable

Music - Hands, Feet, Heart

- listen and describe what they hear.
- listen to the environment around them and find new sounds

Physical Education

- explore movement skills using our bodies
- think about health and fitness follow instructions

Wellbeing

- think about how to become a responsible member of the school
- think about the choices we make and how to
- work cooperatively with others

How can you support your child at home?

- Discuss the books you share together
- Practice weekly spellings
- Encourage your child to play Numbots and TT Rockstars little and often
