Maths

POWER MATHS

Year 1 - Children are introduced to formal addition and subtraction. Children are asked to reason with addition and subtraction facts and compare them to numbers using the < and > signs.

Year 2 - The key learning is being able to work confidently with numbers as 10s and 1s, and to understand the counting patterns, as well as the application of number bonds, to deal with 10s and 1s in efficient ways.

History – The Great Fire of London

This term we will be learning about the events of The Great Fire of London. We will be history detectives and use the clues and evidence to find out about what happened during the Great Fire. We'll look at a timeline of events, where the fire started and the diaries that Samuel Pepys kept.

- Events beyond living memory that are significant nationally or globally.

PE

PE days will be on a **Monday** and **Wednesday**.

- Explore movement skills using our bodies.
- Participate in team games, developing simple tactics for attacking and defending.

How can you support your child at home?

Read, discuss and record the books you read at home with your child in their reading record.

Encourage your child to complete 10 minutes of NumBots/ TT Rockstars per day.

Check Dojo regularly for class updates and information.
