

English

Reading: In guided reading we will continue to use Re-think Reading to develop our vocabulary and fluency skills. We will be studying both poetry and fiction texts to support us with this.

Writing: This half term we are studying the text 'Flotsam' by David Wiesner. A picture book with no

words that shows the adventures of a camera through the ages.

Our next text is a poem, 'The Sea' by James Reeves

which explores metaphor.

Maths

This half term, we are learning about decimals in more detail.

We will then move on to exploring negative numbers and finally look at measurements and conversions.

History

Bronze Age Britain

Exploring the Bronze ages and more of our local history.

Geography:

Interconnected Amazon

Our focus is the extent to which the Amazon is connected with the rest of the world.

RE:

Buddhist Stories and Teaching

How do Buddhist stories and teaching inform how they live?

Year 5

Summer 2

Computing

Word processing – Microsoft, office and google.

Design and technology

This half term we will be looking at structures and

designs of bridges.

What makes them so strong?

Physical Education

On Tuesdays this half term, we will be practicing our athletics skills and preparing us for school games day.

We will also spend some time looking at tennis and developing and practicing these skills.

PSHE

Our Jigsaw PSHE focus is on 'Changing me'.

How can you support your child at home?

Support your child in completing weekly homework, consisting of spellings, times table practice and independent reading.

Read to and with your child, asking them questions about the story they are reading.

Check Dojo regularly for class updates and information.
